and Computing****Dereje Tekilu Aseffa (PhD)****RECOMMENDATION LETTER**

It is honor and my pleasure to provide this recommendation to **Ms. LALISE FUFU (ID. No A/UR4496/09)**, who is keen to join your organization. She is one of student that has been studying her bachelor of science in our school. She is one of the distinguished students in our school. I would rank her the top students with skills of communication, analyzing problem, designing solutions for engineering problems in her area of study Electrical Power and Control Engineering.

I have known her for the last five years as a student. She is an organized person who is able to carry out any task allocated to her and she is dedicated to her work. I have closely seen her for about five years that she is highly motivated to exceed her current knowledge. I appreciate her excellence of work hard, integrity, loyalty, punctuality and her motive to achieve something better. In addition to her regular duty, she has been actively participating in different intra curricula and extra curricula activities in the School. She has been sociable, cooperative and problem solver student.

I highly recommend her for your organization and hope that you will carefully consider her application. Please feel free to contact me if you need any further information.

Yours Sincerely,
